

The new website platform integrates three of our most popular services: the member forum, the member directory, and the events registration.

**Login:** visit [www.solosmallfirm.com](http://www.solosmallfirm.com). If you see [austinbarssf.wildapricot.org](http://austinbarssf.wildapricot.org), that is the underlying host site and is our secure webpage. Click on the “Log In” button in the top right corner. Use “Forgot password” to reset your password using the email you provided to the Austin Bar.

**Member Directory:** Once you are logged in, click on your name in the top right corner and select “View Profile.” Select “Edit Profile” and add in your contact details including practice areas. You can also upload a headshot and set your email preferences. Once done, visit the Member Directory page to confirm you appear in the Practice Areas search section.

**Forum:** Click the Member Access page to view the two forums. We have Shop Talk for practice questions, and Lawyer’s Lounge for humor and chit chat (no politics please). You can also see news from the Board and the activity on our Facebook page.

We are no longer adding new members to the Yahoo! listserv and will phase it out.

**Events:** To register for an event, click on “Events” and use the big blue button to register. A summary of upcoming events is also on the home landing page.
